Virtual Missionary Speaker Request Form

MCA Virtual Missionary Speaker Visit for 2020-2021

Due to Covid-19 restriction we know it will not be possible to have a Missionary Speakers visiting throughout the 2020-2021 school year. However we will be happy to arrange virtual visits with the students at your school or religious education program. The aim of this is to have the missionaries share their personal missionary experiences with the children. We will gladly schedule a virtual visit. Please let us know of your interest using this form by selecting your preference below:

 School/Parish (RE Program)

 City, State, Zip

Our School would like to request a Virtual Missionary Speaker during the following Liturgical Season(s):

Advent

Lent

Ordinary Time

As always we will ask the missionary speaker to give a short 20 minutes presentation to give the children time to ask questions. We would like to limit the presentation to a small group, perhaps a class group size.
