

Greetings from the Missionary Childhood Association

We are inviting all the school to be part of the National Giving Day for MCA. Inspired by St. Therese of Lisieux “Little Way”. In order to make this a successful day we are giving the following suggestions.

Promote with the students body using the flyer provided to let them know on what day will the dress down day will take place.

Have Mite boxes or a giving jar ready for students to give their donations for that day.

On days leading up to the dress down day share with the student body the announcements provided.

On “Little Way Dress Down Day” Have fun, take pictures and see which class raises the most funds. Plan some activities in which the student body can participate.

After donations have been turned in and with this being a national giving day, we would like to gather with our neighboring Dioceses for a Virtual Prayer Service. This will be short half hour prayer service in which we would like to invite every school to join us.
